EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 1, first line, after the title, insert:

"This is a division of application Serial Number 10/219,896, filed 08/15/2002 now U.S. Pat. No. 6,740,956."

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the references of record teaches or suggests the claimed method for forming a semiconductor including the steps of forming a conductive region on the first conductive spacer and the first layer of isolation material, the conductive region contacting the first and second conductive spacers to make an electrical connection; or planarizing the layer of insulation material, the conductive spacer, and the layer of isolation material until they have a substantially planar top surface; or etching the layer of isolation material to form an isolation spacer that contacts the sidewall of the conductive spacer, and a hole that contacts a side wall of the isolation spacer; and forming a layer of conducting material in the hole and to contact the layer of insulation material and the
